The diagram shows a rectangular assembly representing a medical form or label. At the top, there are two horizontal sections, each containing the word "Urgent". Below these is a large curved area containing a series of vertical bars, resembling a barcode, labeled with the number 18. To the right of this area is a table with six rows and two columns. The first column contains the following labels from top to bottom: "Patient Name", "Patient Number", "Date of Collection", "Ward/Clinic", and "Batch number 123456". The second column contains the following labels from top to bottom: "Date of Birth", "Signature of Collector", "Time of Collection", "Doctor", and "Expiry Date 03/06". Above the table, there is a section labeled "Fill Line" and another labeled "anticoagulant/preservative (& name)". The entire assembly is indicated by a bracket and the number 13.

Patient Name	Date of Birth
Patient Number	Signature of Collector
Date of Collection	Time of Collection
